

Pod

Litter bin made of HPC (High Performance Concrete) velluto - natural smooth equipped with stainless steel opening lid with central hole, which can be opened with snap lock. It is also equipped with bag holder ring along the internal perimeter.

Variant code: 0025241

Size and weight: Width 535mm
Length 600mm
Height 855mm
Weight 290kg

Materials: HPC (High Performance Concrete) white velluto - natural smooth

Stainless steel

Finishes: HPC (High Performance Concrete) white velluto - natural smooth

Brushed stainless steel

Color:

HPC colour to be chosen between grey, white and dark grey.

Fixing: Pre-drilled for anchors

Technical drawing:

Ground fixings

STAINLESS STEEL

For our stainless steel products and components, we normally use AISI 304 or 304L stainless steel, but in case of installation in highly aggressive conditions we recommend requesting AISI 316 stainless steel.

Our stainless steel is usually brushed or shotblasted, depending on the technical features of the product.

Electropolishing treatment is also available, upon request.

BRUSHED

SHOTBLASTED

HPC (HIGH PERFORMANCE CONCRETE)

Our HPC is available in five different colors (white, grey, dark grey, green and yellow) and it is provided, as standard, with VELLUTO – natural smooth finish.

Characterized by textured appearance, HPC can present not uniform cloudy effects of color and light cracks, which are physiological aspects of this material.

Upon request, when technically feasible, it is possible to perform polishing operations.

The finished products are treated with a protective varnish, and upon request, anti-graffiti treatment can be also applied.

WHITE POLISHED

WHITE VELLUTO - NATURAL SMOOTH

GREY POLISHED

GREY VELLUTO - NATURAL SMOOTH

DARK GREY POLISHED

DARK GREY VELLUTO - NATURAL SMOOTH

GREEN POLISHED

GREEN - NATURAL SMOOTH

YELLOW POLISHED

YELLOW VELLUTO - NATURAL SMOOTH
