HPC (HIGH PERFORMANCE CONCRETE)

Our HPC is available in five different colors (white, grey, dark grey, green and yellow) and it is provided, as standard, with VELLUTO – natural smooth finish.

Characterized by textured appearance, HPC can present not uniform cloudy effects of color and light cracks, which are physiological aspects of this material.

Upon request, when technically feasible, it is possible to perform polishing operations.

The finished products are treated with a protective varnish, and upon request, anti-graffiti treatment can be also applied.

WHITE POLISHED

WHITE VELLUTO - NATURAL SMOOTH

GREY POLISHED

GREY VELLUTO - NATURAL SMOOTH

DARK GREY POLISHED

DARK GREY VELLUTO - NATURAL SMOOTH

GREEN POLISHED

GREEN - NATURAL SMOOTH

YELLOW POLISHED

YELLOW VELLUTO - NATURAL SMOOTH
