

Twin

Modular elements made of HPC (High Performance Concrete) velluto - natural smooth, with aligned seat and table, composed of two cantilevered structures, crossed to create a system of two seats with front table. They can be installed individually or in compositions and they are compatible with the single seat Mizar S.

Variant code: 0019700

Size and weight: Width 4240mm
Length 500mm
Height 750mm
Weight 690kg
Seat Height 422mm

Materials: HPC (High Performance Concrete)

Finishes: HPC (High Performance Concrete) velluto - natural smooth

Color:
HPC colour to be chosen between grey, white and dark grey.

Fixing: Installation with threaded bars

Technical drawing:

HPC (HIGH PERFORMANCE CONCRETE)

Our HPC is available in five different colors (white, grey, dark grey, green and yellow) and it is provided, as standard, with VELLUTO – natural smooth finish.

Characterized by textured appearance, HPC can present not uniform cloudy effects of color and light cracks, which are physiological aspects of this material.

Upon request, when technically feasible, it is possible to perform polishing operations.

The finished products are treated with a protective varnish, and upon request, anti-graffiti treatment can be also applied.

WHITE POLISHED

WHITE VELLUTO - NATURAL SMOOTH

GREY POLISHED

GREY VELLUTO - NATURAL SMOOTH

DARK GREY POLISHED

DARK GREY VELLUTO - NATURAL SMOOTH

GREEN POLISHED

GREEN - NATURAL SMOOTH

YELLOW POLISHED

YELLOW VELLUTO - NATURAL SMOOTH
