

# Isometric

---

Seat with backrest, with a unique elongated rhomboidal shape, similar to an isometric view. They are made of HPC (High Performance Concrete) velluto - natural smooth finish. The seats can be combined with each other to create linear or star-shaped compositions.

---

**Variant code:** 000100090

---

**Size and weight:** Width 425mm  
Length 730mm  
Height 760mm  
Weight 105kg  
Seat Height 450mm

---

**Materials:** HPC (High Performance Concrete)

---

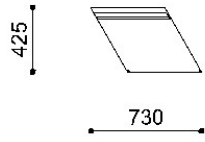

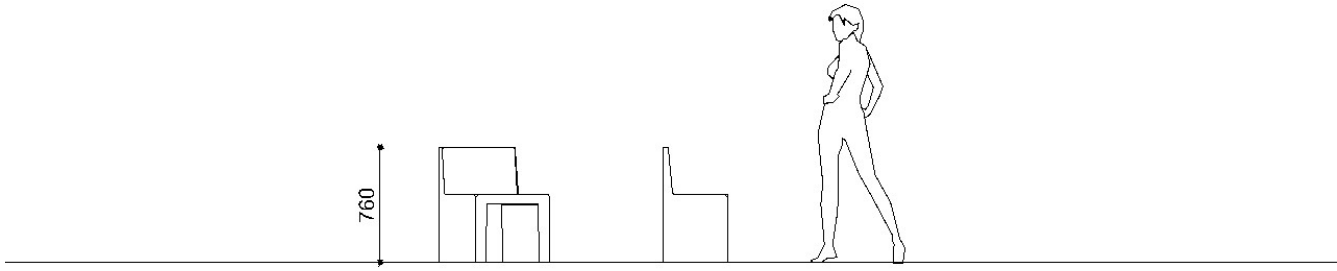

**Finishes:** HPC (High Performance Concrete) velluto - natural smooth

Color:  
HPC colour to be chosen between grey, white and dark grey.

---

**Fixing:** Freestanding, installation with threaded bars
