

Norse A

Modular angular bench, without backrest, composed of a structure in Corten steel, equipped with three supports.

Variant code: 0074615

Size and weight:
Width 1900mm
Length 1900mm
Weight 140kg
Seat Height 420mm

Materials: Corten steel

Technical drawing:

Finishes: NO

Color:
NO

Fixing: Pre-drilled for anchors

CORTEN STEEL

Corten steel is a "living" material, changeable over time, not uniform in appearance and each product has unique shades and colors.

We sandblast our products in Corten steel, before proceeding with the oxidation process, designed to limit water consumption.

To reduce physiological leak of oxide, upon request, antiwashout treatment is available.

In particularly saline environments, Corten steel may have a different reaction, we recommend evaluating the positioning.

OXIDIZED

OXIDIZED PROTECTED WITH ANTIWASHOUT
