

Isolaurbana

The modules of the Isolaurbana collection include model D, a bench without a backrest, with a seat in HPC (High Performance Concrete) and two supports in powder-coated aluminum. Model W is a bench without a backrest, with a wooden seat and supports in powder-coated aluminum. Both models can be installed in combination with other elements of the Isolaurbana collection.

Isolaurbana D

Flat bench consisting of a top in HPC (High Performance Concrete) velvet finish and two supports in extruded aluminium with trapezoidal section painted with polyester powder coating with aluminium sheet caps.

Variant code: 0071201

Size and weight: Width 750mm
Length 2100mm
Weight 410kg
Seat Height 420mm

Materials: HPC (High Performance Concrete)
+
Polyester powder coated aluminum

Finishes: HPC (High Performance Concrete) velluto - natural smooth

Polyester powder coated aluminum in wrinkled finish

Color:
HPC colour to be chosen between grey, white and dark grey.

to be chosen from Metalco standard colour range

Finishes:

Fixing: Pre-drilled for anchors

Accessories: Extra per levigatura superiore, Extra per levigatura superiore + perimetro, ISOLAURBANA illuminazione LED per nr. 1 supporto

Technical drawing:

POWDER COATED STEEL - POWDER COATED ALUMINUM

For every steel product and component, we choose the most suitable raw materials and treatments based on our production cycle and the needs of each design.

Our steel treatments include hot-dip galvanization, cold galvanizing, Sendzimir galvanization, cataphoresis and primer coating.

For our aluminum products and components, we use aluminum in sheet or in extrusion or in casting.

Then we powder coat steel, stainless steel, and aluminum with polyester powder, in accordance with EN ISO 12944-2.

We offer a wide range of standard RAL colors with wrinkled finish with different levels of texture. Only when customization through stickers, pad printing or serigraphy is provided, for technical reasons, their finish will be smooth matte or smooth glossy, depending on the technical feasibility.

We also offer the exclusive SABLÈ' colours, with a peculiar metallic wrinkled texture.

Upon request, different treatments and customizations are available, such as powder coating with non-standard RAL colors, and/or with smooth matte and smooth glossy finishes, and/or anti-graffiti treatment.

If required, the powder coating process can be certified Quality Steel.

RAL

SABLÈ

The mentioned RAL and SABLÈ colours should be considered only illustrative.

HPC (HIGH PERFORMANCE CONCRETE)

Our HPC is available in five different colors (white, grey, dark grey, green and yellow) and it is provided, as standard, with VELLUTO – natural smooth finish.

Characterized by textured appearance, HPC can present not uniform cloudy effects of color and light cracks, which are physiological aspects of this material.

Upon request, when technically feasible, it is possible to perform polishing operations.

The finished products are treated with a protective varnish, and upon request, anti-graffiti treatment can be also applied.

WHITE POLISHED

WHITE VELLUTO - NATURAL SMOOTH

GREY POLISHED

GREY VELLUTO - NATURAL SMOOTH

DARK GREY POLISHED

DARK GREY VELLUTO - NATURAL SMOOTH

GREEN POLISHED

GREEN - NATURAL SMOOTH

YELLOW POLISHED

YELLOW VELLUTO - NATURAL SMOOTH
