UHPC (ULTRA HIGH PERFORMANCE CONCRETE)

Our UHPC (Ultra High Performance Concrete) is available in three different colors, white, grey and dark grey, provided with ALFA-natural smooth finish.

Characterized by textured appearance, UHPC can present not uniform cloudy effects of color and light cracks, which are physiological aspects of this material.

The finished products are treated with a protective varnish, and upon request, anti-graffiti treatment can be also applied.

UHPC WHITE

UHPC GREY

UHPC DARK GREY
